Welcome!

So you've found a secret fairy door? How very lucky of you. Not many people have stumbled across one of these and even less have managed to peek inside. That's the voice of your fairy guide. She'll show you all around fairyland and make sure you're back in time for dinner. Open the door and continue through this book to learn all about your fairy guide and the wonderful world she lives in. It's a magical place and I'm sure you'll love it!
