## Biohack Like a Woman Aggie Lal

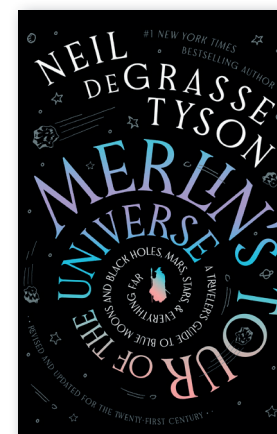

A revolutionary approach to weight loss made by a woman for women from certified health coach and podcast host Aggie Lal. This is not an exercise book, it is not even a diet. It's a blueprint on how to listen to your Infradian Rhythm and regulate hormones that help with hunger, energy levels, sleep quality, and mood.

ISBN 9781804441787  
Pub date 03-10-2024  
Paperback £8.99

## Gaza Faces History Enzo Traverso

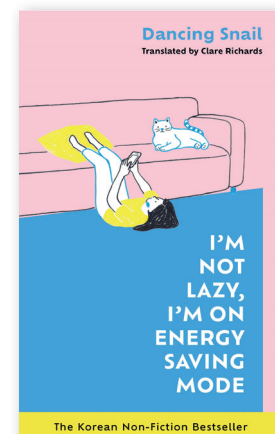

A hard hitting and robust analysis of the war in Gaza and the response from the wider world, the most difficult questions that have arisen in the aftermath of the October 7th attacks are explored here by one of the left's most highly respected intellectuals.

ISBN 9781785307621  
Pub date 29-10-2024  
Hardback £16.99

## Merlin's Tour of the Universe Neil deGrasse Tyson

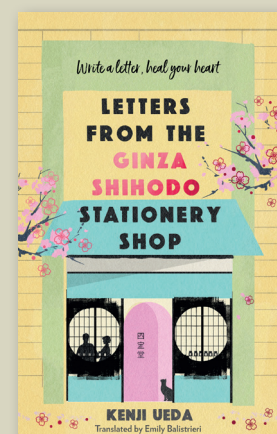

Merlin has observed first-hand the major scientific events of Earth's history and his friends include the most important scientific figures of all time - da Vinci, Magella, Newton, Einstein and Hubble. As he recounts playful conversations with these luminaries, all questions are answered with authentic science and occasional rhyme. The perfect book for anyone who harbours burning questions on how the cosmos works.

ISBN 9781785122361

Hardback £14.99

## I'm Not Lazy, I'm On Energy Saving Mode Dancing Snail

In a world obsessed with work and productivity, *I'm Not Lazy, I'm On Energy Saving Mode* is a welcome respite. Highlighting how resting and 'being lazy' or more accurately 'bed rotting' as referred to online, is not a sign of weakness but necessary to recharging. After years of battling with depression and lethargy, Dancing Snail realised the importance of rest and is now giving you permission to take that break.

ISBN 9781786584649

**The Teacher of Auschwitz**  
Wendy Holden

At the dark heart of the Holocaust, there was a wooden hut whose walls were painted with cartoons: a place where children sang, staged plays and wrote poetry. Safely inside, they were given better food, kept free of vermin. Their protector was a Jewish prisoner names Fredy Hirsch, a man who risked his life to protect the children. But time is running out...

### The Strange Case of Jane O. Karen Thompson Walker

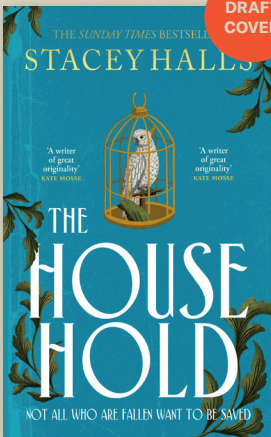

Young Jane O. arrives in a psychiatrists' office after suffering a series of worrying episodes: amnesia, premonitions and an inexplicable sense of dread. As the psychiatrist struggles to solve the mystery of Jane's mind, she suddenly goes missing. She is found a day later with no recollection of what has happened to her. Are her strange experiences related to the overwhelm of single motherhood or long-buried trauma? And what do the warning visions mean? Jane's symptoms will lead the psychiatrist to question everything he once knew...

### The Divorcees Rowan Beird

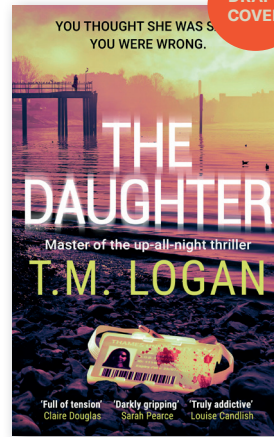

Lois Saunders thought that marrying the right man would finally cure her of her loneliness. But as picture-perfect as her husband is, she is suffocating in their loveless marriage. In 1951, this is hardly grounds for a divorce – except in Reno, Nevada. At the Golden Yarrow, the most respectable of Renos' divorce ranches, Lois finds herself living with other would-be-divorcees where she rides horses and spends the nights flirting with cowboys. But when Greer Lange arrives, Lois' world cracks open...

**Jane Austen's Bookshelf**  
Rebecca Romney

Jane Austen wrote during a time of great experimentation for women writers, and those authors populated Austen's bookshelf and profoundly influenced her work. So where have these women gone? Why are they no longer embraced as part of the wider literary canon?? Jane Austen's Bookshelf will encourage you to look beyond assigned reading lists, question who decides what belongs there, and build your very own collection of favourite novels.?

**A Brilliant Life**  
Rachelle Unreich

Born in Czechoslovakia, Mira was only 12 years old when World War II broke out. Torn apart from her family, she went on to survive four concentration camps including Auschwitz, and a Death March when she was too weak to walk. This is a powerful story of love, loss, wonder and the deepest kind of trust in life as told by Mira's daughter.

**Counterfeit Countess, The**  
Elizabeth White and Joanna Sliwa

A fascinating biography of the incredible Janina Mehlberg, a German-Jewish mathematician who saved the lives of many inmates of Majdanek concentration and extermination camp at Lublin in Poland, during the Second World War. By posing as a bogus Polish aristocrat, she convinced the SS and Nazi authorities to give her access to prisoners to bring them food, medicine, and sometimes free them. This is her story, based on her own unpublished account.

**Filterworld**  
Kyle Chayka

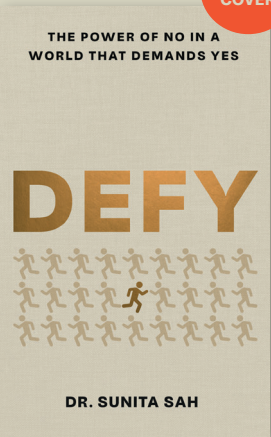

Algorithms have not only removed genuine choice, but de-texturised the world around us. Coffee shops are now inflected with a similar 'instagrammable' aesthetic, and hotels are decked out for swipability factor. Filterworld masterfully shows culture itself has become an algorithm in its own way and explores the effects this has had on society and the individual.

**The Eighth House**  
Linda Segtnan

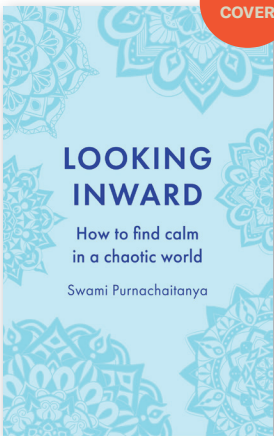

As a young researcher Linda discovers the brutal murder of 9-year-old Brigitta Sivander, and the seed of obsession is planted in her mind. In the months that follow, she compulsively researches the case as the birth of her own daughter draws nearer. As she grapples with the terror and wonder of motherhood, she gradually pieces together Brigitta's story. Haunting and unputdownable, The Eighth House asks what it means to take a life, and to bring one into being.

### This Happened to Me Kate Price

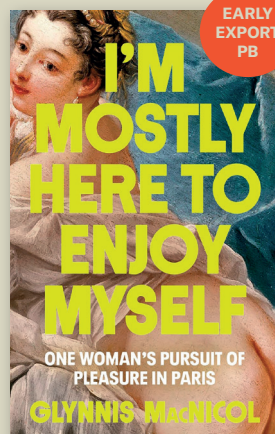

Having left her small mill town in Pennsylvania, breaking a cycle of poverty, violence, addiction, mental illness and abuse, Price was overcome with an unexplainable grief. After seeking help, she came to terms with what her brain was trying to protect her from – that her father had abused and trafficked her as a child. A transformative memoir on how Price broke free of that which defined her childhood and went on to create a purpose-driven life on her own terms.

### Acts of Resistance Amber Massie-Blomfield

A wide-ranging exploration of art as a form of political activists including stories and artists from around the globe – alongside collectives, communities, amateurs and anonymous creators who have used their art as an expression of resistance. This book asks what is the purpose of art in a world on fire, and why are artists compelled to create when the odds are stacked against them? Combining cultural criticism, history and memoir, this is an urgent reminder how art can make life more bearable.

### I'm Mostly Here to Enjoy Myself Glynnis MacNicol

After New York City emptied out in March 2020, Glynnis MacNicol, aged forty-six, unmarried with no children, spent sixteen months alone in her tiny Manhattan apartment. The isolation was punishing. Women are warned of invisibility as they age, but this was an extreme loneliness no one can prepare you for. When the opportunity to sublet a friend's apartment in Paris arose, MacNicol jumped on it. What follows is a decadent, joyful, unexpected journey into one woman's pursuit of radical enjoyment.

Catherine Cawthorne

Farmer loves looking after her animals. She does all the jobs that need doing just right. But when Farmer gets sick, her trusty sheepdog Flo leaps in to save the day! The only question is, what does Farmer actually do all day? Will Flo be able to get all the jobs done in time? Or will the farmyard fiasco go from bad to worse?

**Long Dog**  
James Davies

Meet Long Dog. He's not skinny, or tall, or scruffy – just long. He can be weird sometimes, but has his talents too! James and Long Dog are inseparable. He may be weird, but James doesn't see it that way. Luckily, the other pets in the park don't seem so perfect either, and when they all go missing there's only one dog long enough to rescue them! A hilarious picture book about unbreakable friendships and being yourself.

**Noah's New Home**  
Zeshan Akhter

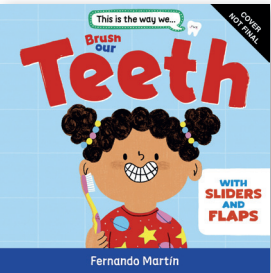

Noah's family have taken a journey no one should have to make. They arrive in a different country as refugees and Noah misses his Baba, Jida and their old home. When a fireworks display brings back both happy memories and difficult times, his family and new community support Noah in facing his fears and feeling hopeful for the future. A timely and heartfelt story that traces the refugee experience and the tragedy of war.

**Megamess**  
Eoin McLaughlin

Some children are neat, some aren't. Bob made messes, and he never ever tidied up. But one day, all the rubbish under Bob's bed combines to make Megamess – a walking, talking pile of trash that messes the town, the country and the entire world! When Bob sees the impact of his rubbish, he decides it's time to tidy up...

**Super Nani and Captain Yaz**  
Saira Shah

There once lived a girl called Yazmin. And far away from her, there lived an old lady called Nani. The two had never met, and Yazmin is so excited to meet her grandma for the first time! But they don't speak the same language. With the help of Yazmin's toys, they find a way to talk after all! A heart-felt celebration of family, Punjabi culture and the rag doll making tradition with a dash of superheroes.

**The Wild Robot on the Island**  
Peter Brown

Once, in the middle of the ocean, an island stood above the waves. And then a strange new creature arrived. A robot whose name was Roz. But she would have to fit in, learn the way of the animals. And one day, when she comes across a little orphan gosling, she must learn to make a family, like them. This gorgeously illustrated story is the inspiration behind the Dreamworks film *The Wild Robot*.

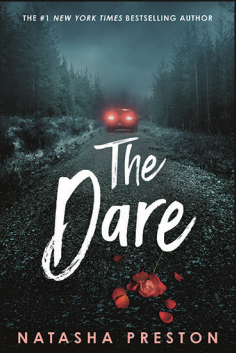

Illustrated

When the party starts to die, can you make it out alive?
