Make Life Happier Mark Williamson

Grounded in the latest science and decades of real-world experience, *Make Life Happier* offers 23 practical, proven ways to improve wellbeing for yourself and others. Moving beyond quick-fix self-help, it explores mindfulness, purpose and self-acceptance alongside connection, forgiveness and community. This is not a promise of perfect happiness, but an invitation to live with intention, generosity and meaning.

Make Believe Mac Barnett

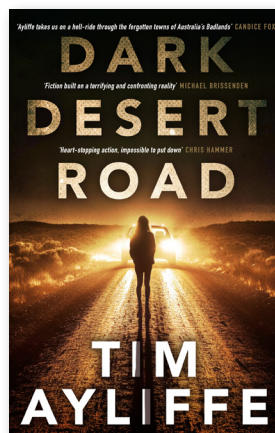

Make Believe is a rallying cry for art, imagination and the transformative power of children's books. In this witty, incisive essay, Mac Barnett invites us to take young readers seriously as one of the most perceptive audiences for art. Blending humour with sharp cultural insight, he reframes children's literature as a vital art form and a gateway into how children see the world, celebrating reading for pleasure at a moment when it matters more than ever.

Hexes of the Deadwood Forest Agnieszka Szpila

This fearless, incendiary novel follows Anna Frenza, a powerful oil CEO whose public downfall triggers a psychic rupture in time. Cast into a medieval world ruled by Church and patriarchy, she joins a forest-dwelling sisterhood devoted to Mother Earth. As faith, power and desire collide, Anna is drawn into a radical rebellion where the forest fights back and nothing sacred survives unchanged.

Dark Desert Road Tim Ayliffe

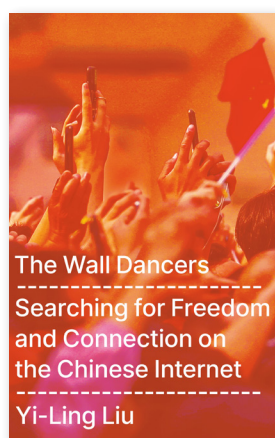

Burnt-out police officer Kit McCarthy has not seen her identical twin, Billie, in more than a decade. When Billie sends a frantic message claiming someone wants her dead, then vanishes, Kit heads into the drought-ravaged towns of the New South Wales Riverina to find her. Among rising violence between a bikie gang and a separatist community, Kit will risk everything to save the sister she barely knows and the nephew she has never met. If Billie wants saving at all.

More Days at the Torunka Café Satoshi Yagisawa

Tucked away on a quiet Tokyo street, the Torunka Café is a warm, welcoming haven where locals and cats alike linger over the smell of coffee. Here, three gentle reunions unfold: Chiyoko recalls a long-lost first love, Kota faces feelings he has kept hidden, and Ayako, an aspiring illustrator, finds a new path. This heartwarming second instalment invites readers to slow down, savor small joys, and feel at home in the everyday.

 Erika Lust

From a rule-following Swedish childhood to the forefront of a global debate, adult filmmaker Erika Lust charts her path through an industry defined by secrecy and stigma. Blending memoir and cultural critique, she explores creativity, leadership and the fight to reshape how society talks about intimacy, autonomy and the stories we inherit.

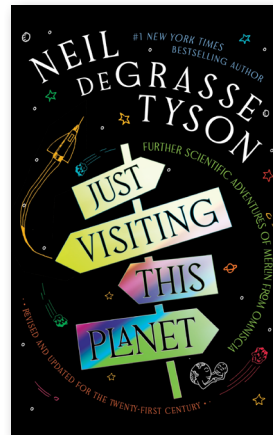

DRAFT COVER

Saltwater
Ashley Ward

From glowing reefs to abyssal depths, saltwater holds the origins of life, and the future of our planet. This sweeping exploration reveals extraordinary marine creatures, humanity's ancient ties to the sea, and the damage we've inflicted. But cutting-edge science and bold conservation shows how the oceans' resilience might still guide us back toward balance.

DRAFT COVER

Game Theory
Christoph Biermann

What if football isn't as predictable as we think? Christoph Biermann reveals how chance shapes matches, results, and even league tables. Drawing on coaches, managers, owners, and mathematicians, he uncovers the fine margins, flukes, and randomness that define the game and shows how we often praise the wrong teams, blame the wrong players, and misunderstand what really makes football magical.
