First Stories for Baby presents a pitch-perfect blend of read-aloud stories and high-contrast visuals to stimulate babies from birth. With four stories to read, and four adorable animals: an owl, bear, tiger and dolphin. Neither too long, nor too short, these developmentally tailored stories easily fit into baby's daily routine, to make reading together a regular activity all the family can enjoy and benefit from. When your little one is ready to move on, try the next book in the series. Each story collection has been created in consultation with an early years expert to perfectly suit your baby's needs at every stage in their first year. Beautifully written and illustrated by award-winning illustrator Emma Dodd.

Bedtime Book For Baby

These gorgeously presented keepsakes are a perfect gift for expectant and new parents, enabling mums, dads and caregivers to bond with their baby. The books feature a lyrical poem that parents are encouraged to read aloud. The rhyming text is accompanied by stunning illustrations from Anneli Bray. There are pages to personalise, making this book a treasured heirloom to pass on to the child. Includes a secure envelope for parents to keep scan photos and other treasured items. Parents are encouraged to read the poem aloud to bump and baby, creating a loving, bonding routine. Featuring expert insights, with an introduction by Dr Kimberley Bennett (@the_psychologists_child) about reading to children, even before they are born.

Jay Runs Away / It's Christmas Every Day!

Dawn McNiff / Nicola Slater

These funny stories featuring Jay, his new sibling and his parents, are told entirely through letters between Jay and his family. With real fold-out letters to open and look inside, along with Nicola Slater's artwork bringing lashings of character to every scene, this picture book is one to treasure!
