The Girl Who Raced the World

MAP ACTIVITY

The Earth's landmass is divided into seven main continents. Let's get to know each! Write the name of the continents on the lines provided and write some fun facts for each of them in the boxes below.

FIND YOUR FUN FACTS USING THESE GUIDE QUESTIONS:

- List two countries found on this continent
- Name a famous landmark
- Can you name a city found on this continent?
- Did Maggie visit this continent?

The Girl Who Raced the World

LETTER WRITING ACTIVITY

Imagine you are exploring the world, just like Maggie. Write a letter home to your family, friends, or someone who loves an adventure. Describe your journey and tell them about all the wonderful things you are experiencing.

Ideas of what to include:

- Where you are in the world? Close to home or far away?
- What can you see and hear and feel? Is it hot or cold? Sunny or snowy?
- What amazing things have you experienced on your journey such as interesting people and fun places you've been. What different foods you have discovered and how did they taste?
- Tell them why you think they would love to come and visit.

Use descriptive details to make your letter exciting and personal, as if your friends and family are experiencing the journey right alongside you!

A large sheet of lined paper with a torn left edge, intended for writing a letter.
